

A Week That Will Change A Lifetime

Congratulations and welcome to American Legion Auxiliary Palmetto Girls State!

We, the members of the American Legion Auxiliary, Department of South Carolina, are excited that you will attend this exceptional program known as ALA Palmetto Girls State. We believe that you are about to be a part of one of the greatest opportunities available to young ladies in high school. Your selection to attend ALA Palmetto Girls State is an honor and is a result of who you are. For you to have been nominated and selected to attend ALA Palmetto Girls State, someone believes that you are a leader in your school and community. Your attendance at ALA Palmetto Girls State offers you the opportunity to participate in mock political activities on the city, county, and state levels of government and to develop relationships with other young leaders from across the State of South Carolina.

ALA Girls State is a program developed and sponsored by the American Legion Auxiliary. The South Carolina version of ALA Girls State is ALA Palmetto Girls State, which is sponsored by the American Legion Auxiliary, Department of South Carolina. ALA Palmetto Girls State, like similar ALA Girls State programs being conducted across the nation, is an exercise in government, Americanism, and citizenship. As a program of the American Legion Auxiliary, ALA Palmetto Girls State operates under the tenets and principles of the American Legion Auxiliary. At ALA Palmetto Girls State, we respect the Constitution of the United States, as well as the Constitution of South Carolina; we respect and salute the flags of the United States of America and South Carolina. ALA Girls State also recognizes the history and importance of "God and Country". Morning invocations and evening vesper services (sessions of devotion and reflection) are held daily at ALA Palmetto Girls State. All in attendance at ALA Palmetto Girls State are expected to participate in these daily activities and observances.

Each delegate and her parents should carefully review the materials in this packet. These materials are available on the ALA Palmetto Girls State registration website. Attendance at ALA Palmetto Girls State is a privilege. Every delegate is expected and required to abide by the rules of the program, including adherence to the dress code that is prescribed for ALA Palmetto Girls State. The dress code is explained in detail on the dress code document.

This year's session of ALA Palmetto Girls State will be held June 9-15, 2024, on the campus of Presbyterian College in Clinton, South Carolina. Citizen Pledge

American Legion Auxiliary Palmetto Girls State
CITIZEN PLEDGE - 77th ALA PALMETTO GIRLS STATE
JUNE 9-15, 2024

As a Delegate to and a Citizen of ALA Palmetto Girls State, a program sponsored by the American Legion Auxiliary, Department of South Carolina, I voluntarily make the following PLEDGE:

1. I will obey the rules of ALA Palmetto Girls State. I will show consideration and respect for all individuals participating in ALA Palmetto Girls State at all times, including staff, other delegates, and speakers. I will not use obscene, profane, threatening, or harassing language or engage in any unwanted or inappropriate conduct or any form of harassment or intimidation. I understand the terms "harassment" and "intimidation" include any verbal or physical conduct that unreasonably interferes with another's performance or creates an intimidating, offensive, or hostile environment. I will promptly report any such conduct by others to my Senior Counselor(s) and/or Administrative Staff.
2. I will be present for every portion of the ALA Palmetto Girls State session and will remain in its entirety, unless advanced permission is obtained in writing from the American Legion Auxiliary Unit that sponsored me and from the Director of ALA Palmetto Girls State.
3. I will not leave assigned areas of the Presbyterian College campus, except as the ALA Palmetto Girls State schedule allows or as may be approved by the Director of ALA Palmetto Girls State.
4. I will take a serious and conscientious interest in discharging my duties as a Delegate to and Citizen of ALA Palmetto Girls State.
5. I understand that ALA Palmetto Girls State is an Americanism program established to educate young women in the duties, privileges, rights, and responsibilities of American citizenship. I further understand that the program is a study of city, county, and state government and that the ideals of Americanism, citizenship, patriotism, and "God and Country" are featured throughout the week.
6. I understand the ALA Palmetto Girls State program continually strives to reflect a cross-section of South Carolina, and to further this goal, ALA Palmetto Girls State embraces and encourages diversity among its staff, volunteers, and delegates. I further understand ALA Palmetto Girls State aims to create an environment which promotes diversity, equity, and inclusion regardless of an individual's race, color, religion (creed), nationality, sexual orientation, gender identity or expression, socioeconomic status, location (rural, urban, or suburban) in this state, or political views and beliefs.
7. I understand ALA Palmetto Girls State will not tolerate any forms of intentional discrimination and will address any bias incidents reports. A bias incident is defined as the use of any disparaging or offensive remarks, including slurs, epithets, or stereotypes about race, color, disability, nationality, sexual orientation, gender identity or expression, or religion (creed) and the display or use of any offensive or intimidating imagery or symbols. I further understand that upon receiving a bias incident report, ALA Palmetto Girls State will immediately take steps to reaffirm its nondiscrimination policy and provide a resolution, which may include mediation, education, and/or removal of an individual from the ALA Palmetto Girls State program.

8. I understand ALA Palmetto Girls State recognizes and supports delegates' rights to freedom of speech, expression, and association, including the use of online social networks. However, I further understand that participation in the ALA Palmetto Girls State program is a privilege, not a right, and I represent the American Legion Auxiliary and am expected to portray myself, my school, and the Auxiliary in a positive manner. I therefore agree that any online postings relating to ALA Palmetto Girls State will be consistent with federal and state laws and further agree to the following:
 - A. I understand everything I post online is public information. I cannot control any text, photo, or video once it is posted online, even if I limit access to my post(s). I understand information (including pictures, videos, comments, and posts) may be accessible even after I remove it.
 - B. I understand ALA Palmetto Girls State will not tolerate disrespectful comments and behavior posted on social media, including derogatory or defamatory language, images, or videos, or comments that create a danger to the safety of another person or that constitute a credible threat of physical or emotional injury to another person.
 - C. I understand ALA Palmetto Girls State reserves the right to have staff members review and/or monitor delegates' social networking sites and postings regarding the ALA Palmetto Girls State program. I further understand any violation of law or of ALA Palmetto Girls State's guidelines is subject to investigation and possible removal from the ALA Palmetto Girls State program and/or referral to appropriate law enforcement agencies.
9. If elected to office, I will serve to the best of my ability and participate in the activities designed for my office.
10. Upon returning home and if requested by the American Legion Auxiliary Unit which sponsored me, I will make a formal report (written or oral) of my impressions and experiences at ALA Palmetto Girls State.
11. I will live in residence as a Citizen of ALA Palmetto Girls State.
12. I will adhere to ALA Palmetto Girls State's COVID-19 protocols, which I understand may include wearing a face covering, social distancing, and proof of negative test or vaccination before arrival on campus.
13. I will return to my high school for at least one semester of my senior year.
14. I am not a member of, nor do I subscribe to the principles of, any group opposed to democracy or to the forms of government of the United State of America and the State of South Carolina.
15. I will not use the ALA Palmetto Girls State name in any commercial or promotional activity.

Non-Discrimination Policy

The ALA Palmetto Girls State program continually strives to reflect a cross-section of South Carolina. To further this goal, ALA PGS embraces and encourages diversity among its staff, volunteers, and delegates. ALA PGS aims to create an environment which promotes diversity, equity, and inclusion regardless of an individual's race, color, religion (creed), nationality, socioeconomic status, location (rural, urban, or suburban) in this state, or political views and beliefs.

ALA PGS affirmatively and emphatically states that it will not tolerate any forms of discrimination and will address any bias incidents reports. A bias incident is defined as the use of any disparaging or offensive remarks, including slurs, epithets, or stereotypes about race, color, disability, nationality, religion, or creed and the display or use of any offensive or intimidating imagery or symbols. Upon receiving a bias incident report, ALA PGS will immediately take steps to reaffirm this policy and provide a resolution that may include mediation, education, and/or the removal of an individual.

Rules & Regulations

The safety of our delegates and staff is of the utmost importance to ALA Palmetto Girls State. Each person in attendance at ALA Palmetto Girls State is responsible for her own actions. Acts of dishonesty and those in violation of the following rules and regulations will not be tolerated and can result in dismissal from the program. To ensure a safe and effective learning environment, we utilize and enforce the following rules and regulations.

HEALTH & SAFETY

We continue to monitor medical and legal advisories in order to develop a safety plan and protocols that will protect the health and well-being of our delegates, staff, and counselors. Delegates must adhere to the COVID-19 safety guidelines that are in place. These guidelines will be determined closer to the date of ALA PGS but could include appropriate masking (covering nose and mouth), prior testing or vaccine proof, etc. Delegates who cannot follow the guidelines will be dismissed from the program.

DAMAGES TO PROPERTY

Any damages caused to Presbyterian College property, or ALA Palmetto Girls State property, will result in the party(ies) causing such damage being assessed for the cost of the damages. Intentional acts causing damages to property could result in dismissal from the program.

PROHIBITED ITEMS

Possession of (1) fireworks, firearms, air guns, other weapons (knives, daggers, etc.) or (2) illegal drugs, alcohol, tobacco or e-cigarettes, or prescription medicines without a valid, current prescription is prohibited and will result in immediate dismissal from ALA Palmetto Girls State.

In addition to the foregoing, please be aware that ALA Palmetto Girls State reserves the right to contact local law enforcement authorities for assistance should any delegate be found in possession of illegal weapons, illegal drugs, or alcohol.

NON-SMOKING POLICY

Presbyterian College has a non-smoking policy. ALL dorms and dorm rooms at Presbyterian College are non-smoking buildings and rooms. Smoking and/or vaping in the dorms, the dorm rooms, and/or on campus will result in immediate dismissal from the program. Also, no candles, incense, or other flame-producing or flammable materials are to be used in the dorms or dorm rooms. Violation of this provision will result in dismissal from the program.

CELL PHONE USE

Except for clearly announced uses related to ALA Palmetto Girls State, cell phone use is not allowed during assemblies, meetings, or other scheduled activities. Delegates are expected to restrict use of cell phones and other electronic devices (talking, texting, gaming, web-browsing, etc.) to free times and not to allow cell phone/electronic device use to be disruptive. Delegates may use cell phones in the dorms and after dismissal from scheduled activities.

ALA Palmetto Girls State is an educational program and should be respected as an educational program. Non-ALA PGS-related use of cell phones and other electronic devices during meetings and/or assemblies may result in dismissal from ALA Palmetto Girls State. Further, delegates are expected to attend to ALA Palmetto Girls State activities before responding to calls, texts, emails, etc. Use of cell phones and other electronics should not disrupt the activities of ALA Palmetto Girls State and should not be loud, annoying, inconvenient, or otherwise bothersome of others.

Part of the ALA PGS experience is the immersion of all attendees in the program without outside distractions. Delegates should not expect to be able to call, text, and/or email at all times. Also, parents,

please refrain from contacting your daughter during the day. We follow a regimented and tight schedule. Your daughter may have the opportunity to contact you during her free time.

ATTENDANCE & EARLY DEPARTURES

Delegates are expected to remain in attendance at ALA PGS for the entire week of June 9-15, 2024. However, each year some delegates seek permission to leave early. Permission to leave early should be requested and obtained prior to online registration and arrival at ALA Palmetto Girls State on Sunday, June 9, 2024. Any delegate requesting to leave the program early must contact the Unit sponsoring the delegate and ask the Unit to contact ALA PGS personnel. ALA PGS personnel will not approve early departure without the sponsoring Unit approving of the early departure and requesting early departure on behalf of the delegate. Further, early departures must be arranged and scheduled to fit within the ALA PGS schedule. Anyone seeking permission to leave early must coordinate the departure with the ALA PGS Administrative Staff to ensure that the departure works within our schedule.

VISITORS

Visitors are not allowed at ALA Palmetto Girls State. We follow a very tight schedule, therefore we have neither the time nor the space for visitors (this pertains to both family and any other persons who may want to visit). Please do not "drop by" to see your daughter or encourage others to do so. We appreciate your understanding and cooperation in this regard. Also, please note that the closing assembly on Saturday, June 15, 2024, is not open to visitors as there is not sufficient room in the auditorium for family or friends to attend our closing session.

Only participants of ALA Palmetto Girls State (delegates, counselors, and staff members), designated staff or officials of Presbyterian College, or a person or persons with the permission of the Director are allowed in the dorms during the time ALA Palmetto Girls State is in session. Violation of this policy may result in dismissal of the delegate from ALA Palmetto Girls State.

DROPPING OFF ITEMS/PACKAGES

Should a family member or friend need to drop off a package for a delegate, the package should be taken to the ALA Palmetto Girls State "Delegate Services" office, which will be located in Staton Hall. Staton Hall is located beside Georgia Dorm. Please make sure that any package or item is clearly marked with the delegate's name, and if known, her room assignment. The office personnel will contact the delegate to let her know she has a package. Please DO NOT drop off or take any items directly to a delegate's dorm, and please DO NOT attempt to meet with a delegate. Also, delivery of prepared food and delivery of any item through a delivery service (e.g., Door Dash, Uber Eats, etc.) are not appropriate.

MEALS

Take-out food deliveries are not allowed. This applies to deliveries from take-out places or from friends or family. Parents, please respect our position in this regard. Meals will be provided on campus through the campus dining services. In addition, snacks are available from vending machines and the ALA PGS canteen. Delegates may bring snacks.

ALA PALMETTO GIRLS STATE CITIZEN PLEDGE

Please read the ALA Palmetto Girls State Citizen Pledge before signing. Each delegate is expected to abide by the pledge as it is written. Please realize that violation of the ALA Palmetto Girls State Pledge or the rules of ALA Palmetto Girls State may result in dismissal from ALA Palmetto Girls State. Additionally, violation of the rules of Presbyterian College or damage/theft of property or another person's belongings may result in dismissal from ALA Palmetto Girls State. Further, please be aware that ALA Palmetto Girls State reserves the right to contact local law enforcement authorities for assistance should damage or theft of property or belongings occur.

DELEGATES MAY NOT HAVE PERSONAL CARS AT ALA PALMETTO GIRLS STATE. Each delegate and her family are responsible for arranging transportation to and from ALA Palmetto Girls State. Please observe the registration times. **On Saturday, June 15, 2024, we will dismiss at approximately 10:30 a.m.**; please make arrangements to depart campus no later than 11:00 am on June 15, 2024. There is no lunch service on campus on Saturday, June 15, 2024.

TIME

Check-in will begin at 8:30 a.m. and end promptly at 11:00 a.m. on Sunday, June 9, 2024. Please plan to arrive at Presbyterian College in time to complete registration and move into the dorm before registration ends at 11:00 a.m.

PARKING

Parking is available in the lots near Neville Hall and will be marked and monitored. Please do not park

along South Adair Street. Delegates should leave all belongings in the vehicle until after check-in. Following check-in at Neville Hall, we request that cars in the lots surrounding Neville Hall be moved to make way for others arriving. After checking in, delegates will proceed to their assigned dorms. Cars may be moved to the parking areas near the dorms for unloading luggage. Once the delegate has checked in at Neville Hall and unloaded her belongings at her assigned dorm, family members should say their good-byes and allow the delegate to begin her ALA Girls State experience, as well as clear the way for other arrivals.

MOVE IN

Following check-in at Neville Hall, delegates will proceed to their assigned dorms. Room and dorm assignments will be provided at registration on June 9, 2024. Please make sure that all luggage, bags, cosmetic cases, etc. are clearly marked with your name.

Each delegate is responsible for carrying her luggage to her room. Please be aware that only Girls State delegates and Girls State staff are permitted in the living areas of the dorms. **Parents, family, and/or friends are NOT allowed into the living areas of the dorms.** Accordingly, each delegate is responsible for transporting her luggage and belongings to her room. Several of the dorms do not have elevators, and delegates will be housed on upper floors. Therefore, each delegate should pack knowing that she alone is responsible for carrying all luggage and belongings to her room, including up flights of stairs.

Check-in and move-in with this many people/luggage takes time. Overcrowding and congestion are inevitable. Please pack extra patience for this time. You can assist in avoiding congestion by arriving early, by limiting good-byes with family, and, most importantly, by being prepared for check-in with the exact money needed to register.

These are the only approved shirts that may be worn for scheduled daily activities. **ALA Palmetto Girls State will wash delegates' white Girls State T-shirts.** However, extra delegate T-shirts may be purchased in the ALA PGS store. Keep in mind that you will wear the Girls State T-shirt every day with appropriate skirt, slacks/pants, capri pants/chinos, jeans, skorts, or shorts. Some dorms have hall/community baths. Shower shoes will be needed for trips to the shower. Also, a small pail or plastic tote (i.e. shower tote/caddy) to carry soap, shampoo, toothbrush, etc., to and from the bath is helpful. Shower shoes and a shower tote are recommended regardless of whether you are assigned to a dorm with a hall/community bath or not. Also, a bathrobe or cover-up is recommended.

Money for vending machines, the ALA PGS Canteen, and the ALA PGS Store

A large amount of money is not needed. ALA Palmetto Girls State merchandise such as t-shirts, sweatshirts, and other souvenirs will be available in the ALA PGS Store and can be purchased with cash, credit cards, or debit cards. If in doubt, leave the item at home. There is an ATM located on campus should additional cash be needed.

- **Campaign materials**

During the exercises and activities at ALA Palmetto Girls State, our delegates will offer and run for various offices in our state of "Palmetto." No prepared campaign materials or campaign supplies may be brought to ALA PGS. Medical Staff

ALA Palmetto Girls State will have a staff member available for simple "nursing" duties, such as band-aids, aspirin, and Pepto-Bismol. We will also rely on "doctor's care" facilities or a local hospital's emergency room. All costs and charges incurred for medical care or medical treatment are the responsibility of the delegate's parent(s) or guardian(s). **We are not equipped for mental health needs and/or emergencies. Should this arise we will contact the parent/guardian.**

ALA PGS Closet

The ALA PGS Closet aims to eliminate any hardship that may arise for delegates when acquiring clothing that meets the dress code for ALA PGS, particularly the solid-color bottoms required on Wednesday, Thursday, and Friday. If you are a delegate interested in having an item of clothing provided for you, we will have more information and a sign up link closer to June so that we can make sure the clothing is available for you when you arrive at ALA PGS. All requests must be submitted prior to June 9; we are unable to take requests throughout the week.

Participation Charm and Certificate

The Constitution of Palmetto Girls State provides in Article VIII that "Each citizen completing the course of study and activities of Palmetto Girls State shall receive a Certificate of Merit and a charm." Therefore, charms and certificates are awarded at the end of the program to those delegates who complete the course of study. Delegates departing from the program prior to the completion of the course of study do not receive a certificate or a charm.

Departure Instructions

DEPARTURE

On Saturday, June 15, 2024, delegates will be dismissed to leave after the closing assembly. This should be at approximately 10:30 a.m. Please arrange to depart campus no later than 11:00 a.m. There will be no lunch service on campus for ALA Palmetto Girls State on Saturday, June 15, 2024.

NOTE: The closing assembly is not open to visitors. We are sorry, but the auditorium does not have room for family and friends to attend our closing session.

PICK-UP INSTRUCTIONS

Delegates can be picked up at their dorms. As a reminder, each delegate is responsible for carrying her luggage down from her room. Please be aware that only Girls State delegates and Girls State staff are permitted in the living areas of the dorms. Parents, family, and/or friends are NOT allowed into the living areas of the dorms.

Information about Dorms

Size of Beds/Mattresses:

- Presbyterian College is in the process of converting the mattresses in ALL dorms to twin extra-long (Twin XL).
- We do not know which rooms will have Twin XL beds and which will have standard Twin beds.
- Delegates are advised to bring either Twin XL sheets or larger sized sheets which may be "tucked in" to fit either the standard Twin or the Twin XL mattress.
 - If a delegate does not have Twin XL sheets, consider using a larger flat sheet instead of a fitted sheet or sheets for a Full or Queen sized mattress.
- The dimensions of a twin extra-long (Twin XL) mattress are 39" x 80".
- Standard sizes of flat sheets are
 - Twin--66 x 96 inches (or 167 x 243 cm)
 - X-Long Twin--66 x 102 inches (or 167 x 259 cm)
 - Full--81 x 96 inches (or 205 x 243 cm)
 - Queen--90 x 102 inches (or 228 x 259 cm)

Dorms with Community (Hall) Baths:

- Some dorms at Presbyterian College have community (hall) baths.
- Community (hall) bath refers to a dorm where the rooms do not have adjoining baths but all rooms of the floor share one or more large bathrooms with each bathroom having multiple sinks, showers, and toilets.
- All delegates should consider bringing a bath tote or small pail/bucket to assist with carrying shampoo, soap, and toiletries to the bath. Regardless of whether a delegate is assigned to a dorm with a community bath or not, the tote/pail will assist in keeping shampoo, soap, and other toiletries together.

All delegates should also consider packing shower shoes and bathrobes/cover-ups.

Samsung Scholarship Information

While ALA Palmetto Girls State is not a scholarship program, there are scholarship opportunities available to delegates who attend and complete ALA Palmetto Girls State.

About

The Samsung American Legion Scholarship was created in 1996 from an endowment by the Samsung Corporation. This endowment was made in appreciation of U.S. veterans who came to aid South Korea during the struggle against communist forces in the Korean War. The endowment resulted in a scholarship program, which is administered by The American Legion, to benefit direct descendants of U.S. veterans.

Every Girls State and Boys State program selects one finalist from among its participants. State finalists move to the national level of competition for the opportunity for a \$10,000 scholarship. Additional information may be found on The American Legion website at www.legion.org/scholarships/samsung. The application can be found at the bottom of the page after the information and requirements.

Award Amounts

Samsung scholarships may be used for undergraduate studies and applied toward tuition, books, fees, and room and board. Winners are selected according to academic record, involvement in school and community service.

- Ten National Scholars receive \$10,000 each (two from each region)
- Ten National Runners-Up receive \$5,000 each (two from each region)
- Remaining Department Finalists receive \$1,250 each guaranteed

PLEASE NOTE:

The application is a lengthy process and ample time will need to be devoted to completing the application. There are multiple documents and signatures needed. All applications are due by the end of the first day (11:59 pm on Sunday, June 9, 2024) in order to be considered. However, there will not be time to work on the application on the first day of ALA Palmetto Girls State. Therefore, interested applicants are encouraged to apply prior to arrival.
